Incident Report

Date of Incident: April 12, 2024

Reported By: Paolo Rossi

Location: Client's Residence, 78 Willow Lane, Leeds, LS1 2AB

Description: Juanita Rodriguez reported severe migraines and depressive symptoms. An emergency consultation with Dr. Rachel Turner was arranged, and medication adjustments were made. Housing and employment support services were also initiated.

Care Plan

Objectives:

1. Manage depression and migraines through medication and therapy.
2. Provide stable housing through assistance programs.
3. Support employment efforts through counseling and training.

Action Plan:

- **Depression and Migraine Management:**

- Prescribed antidepressants and migraine medication.
- Regular therapy sessions with Dr. Rachel Turner.

- **Housing Assistance:**

- Application for housing support programs.
- Coordination with local housing authorities.

- **Employment Counseling:**

- Monthly sessions with employment counselor Mark Johnson.
- Participation in job training programs.

Review Dates:

- **Initial Review:** May 10, 2024
- **Next Scheduled Review:** August 10, 2024
